### **ERASMUS PLAN:**

- Goal 1** We want to increase the quality and effectiveness of English language teaching, to make CLIL more effective and widespread and expand bilingual teaching through CLIL.
- Goal 2** We want to explore new innovative teaching methods, new and creative ways of teaching. We want to focus on developing children's skills and helping them to better understand the curriculum. Innovative teaching methods may include e.g. games, interactive activities, technology.
- Goal 3** We want to gain new knowledge and experience in the inclusion of any disadvantaged and disabled children but also experience of working with gifted and talented children.
- Goal 4** We seek to broaden and deepen the use of IT in teaching, new IT skills and competences. teachers to provide educational activities for teachers that will lead to the full use of modern technologies in teaching and which at the same time develop the skills and competences of pupils.
- Goal 5** Well -being in a school where everyone feels comfortable, establishes functional and supportive relationships and can reach their full potential, lead happy and fulfilling lives, manage stress and play to their strengths.
- Goal 6** We will continue to strengthen pupils' education in European values, a sense of European citizenship and intercultural education.
